

LEAD-BASED PAINT RENOVATION, REPAIR & PAINTING RULE

REGION 9: ARIZONA, CALIFORNIA, HAWAII, NEVADA,
PACIFIC ISLANDS, TRIBAL NATIONS

TIP/COMPLAINT FORM

Date:

Please provide as much information as possible. Fields marked with an asterisk are particularly important. When completed, send the form to Max Weintraub at weintraub.max@epa.gov.

1. Contact Information for person lodging complaint

Name*:					
Street Address:					
City:		State:		Zip Code:	
Phone Number*:					
eMail Address*:					
OK to contact for clarification or further information?					

2. Contact information of the person(s) doing the work

Company Name*:					
Company Contact:					
Street Address:					
City:		State:		Zip Code:	
Phone Number:					
eMail Address:					

3. Information about the work site

Location of the work:					
Name of Property Owner:					
Street Address*:					
City*:		State:		Zip Code:	

When did the work start (if known)?

When did / will the work end (if known)?

Was the structure built before 1978? If known, how do you know?

Do children under 6 or pregnant women live at or frequently visit the location where the work is/was being done? If known, how do you know?

4. About the work

Emergency Repair?

Was the work an emergency such as fix broken water or leaking gas pipes, a broken furnace, or other emergency situation that if not immediately attended to would present a safety or health hazard? If known, how do you know?

Creating paint dust?

Has, or will, the property undergone any work that disturbed painted surfaces by sanding, scraping, or other activities that may generate paint dust; by the removal of structures such as walls, ceilings, large surface re-plastering, or major plumbing; or by window replacement, or other work that will disturb 6 sq. ft. of painted surface? If known, how do you know?

Other information

Is there anything else you would like to add (e.g., are workers wearing protective gear and, if so, what type; is dust or paint debris be spread beyond the worksite and, if so, what is it affecting; are other government agencies involved at the work site and, if so, which and how; etc.)?

NOTE – For additional information about the US EPA lead-based paint requirements, call 1-800-424-5323 or go to the website at www.epa.gov/lead
